

RESOLUTION NO. 2008- 113 R

A resolution ratifying the City Manager's execution of a contract between the City of Victoria and Sirius Computer Solutions of San Antonio, Texas via the Texas Department of Information Resources (DIR/TXMAS) for the purchase of a new IBM AS400 Server with associated hardware and software for the Police Department's Law Enforcement Information System, in an amount of approximately \$44,900.00; and declaring an effective date

IT IS RESOLVED BY THE CITY COUNCIL OF THE CITY OF VICTORIA, TEXAS:

1.

The City Manager's execution of a contract between the City of Victoria and Sirius Computer Solutions of San Antonio, Texas via the Texas Department of Information Resources (DIR/TXMAS) for the purchase of a new IBM AS400 Server with associated hardware and software for the Police Department's Law Enforcement Information System, which is attached hereto as **Exhibit "A"**, in the amount of \$44,900.00, is ratified, and the City Manager is authorized to execute such other documents as are necessary to purchase said equipment, in a form to be approved by the City Attorney. In accordance with discussion of City Council and agenda heading, this resolution authorizes purchases within its scope "in an amount not to exceed \$44,900".

2.

This resolution shall become effective immediately upon adoption.

PASSED, this the 15th day of July, 2008.

Introduction

07/07/2008

Mr Rick Henrichs, Director of IT
City of Victoria
700 Main Center, Suite 124
Victoria, TX 77902

Dear Mr Henrichs:

Thank you for your interest in Sirius and the IBM System i5 product family. IBM midrange systems provide reliable, highly secure ways to help you simplify IT and reduce cost so that you can invest in growing your business. The iSeries is a powerful tool to help entities consolidate, integrate and save significant IT dollars while providing leading server reliability, and self-managing features.

The base maintenance on the processor will decrease with the installation of this new model. The model M15 iSeries system will provide 4300 CPW performance. The new LTO Tape Drive will hold your entire system backup on one tape. Memory is increased from 1 to 8GB. Ethernet adapter speed is enhanced to provide embedded GB Ethernet ports. Support is provided for a LAN console attachment instead of twinax being used today. With your migration to TCP/IP we have not included support for SNA. This system will require use of OS V5R4 or higher.

Sirius specializes in IBM hardware, software, storage and services. We have planning and implementation skills, expertise in problem solving, innovative services and a proven track record of successful IBM solutions. We are committed to delivering a high level of customer satisfaction and have invested in skills and technologies to ensure that the advice given and the products, services and solutions offered are of the highest quality.

Solution Assurance is an important step to ensure this solution is configured specifically for your environment and that both your team and the Sirius team are prepared for the installation. I will schedule a Solution Assurance meeting with our technical team at your convenience.

If you have any questions regarding this proposal, please feel free to contact me.

Sincerely,

Joe Christo
Sr Account Executive
Sirius Computer Solutions

Solution Summary

		CF 998158-3		
IBM System i Server		City of Victoria Police Department		
Quote Date: 07/07/2008		DIR/TXMAS Contract TXMAS-4-70080		
Item	Description	Qty	IBM Price	Victoria Price
9407-M15	System i Model M15 w/ 8G Memory, 210GB User Storage Raid Protected, GB Ethernet, LTO4 Tape, DVD, Rack Mount	1	\$17,427	\$16,725
5722-SSC FC 1742	i5/OS Per User Billing / Unlimited Users License	1	\$18,750	\$16,920
IBM SVCS	Hardware Maintenance 14 mo / Upgrade to 24x7 (Warranty is 1 Yr for Processor)	1	\$234	\$234
5722-SSA FC 1734	i5/OS Additional Processor License	1	\$2,245	\$2,100
	LTO4 Tapes	10	\$85	\$850
5733-SPM	Software Maintenance P05 1YR Extended (24x7)	1	\$1,200	\$1,200
Sirius Technical Services	On-site services: iSeries Migration & implementation from 720 to M15, Skills Transfer	1	\$6,800	\$6,800
Total Sales Price:				\$44,829

Solution Details

	Existing	System i 515 / UB	System i M15 / PD
Config /SN	5G56M	530329-1	998158-2
Model	720-2061-1500	515-6018	Power 520 1-way
CPW	240(35)	3800	4300
Memory	1 GB	4 GB	8 GB
Users	N/A	30	Unlimited
Tape	8mm	External LTO4	Internal LTO4
Console	Twinax	LAN	LAN
Version	5.2	5.4	5.4.5
Disk	158 GB (10 arms)	210 GB (4 drives RAID5)	210 GB (4 drives RAID5)
Ethernet	2x10/100	Embedded 2x1Gbps	Embedded 4x1Gbps
Comms	3xWAN	ECS Only	ECS
Other	N/A	N/A	N/A

Notes:

- 1) No common tape. Power M15 needs a loaner 3580-H23 or services for electronic migration. M15 needs loaner 2749.
- 2) If SNA used. Will need conversion to Enterprise Extender.
- 3) WAN and Twinax not supported.

Purchase Authorization

This proposal is valid if ordered on or before 07/30/2008

Until Sirius receives and accepts a Purchase Order or this Purchase Authorization for the solution proposed, pricing provided in this Proposal is subject to change based on manufacturer's pricing schedule.

~~The information provided in this Proposal is considered confidential and proprietary between Sirius, State of Texas agencies and City of Victoria until award has been made subject to the Texas Public Information Act. Your contract number(s), currently on file, is/are as follows:~~

Agreement Type: TXMAS

Agreement Number: TXMAS -4-70080

If, after the Services have been under contract for at least one year, you choose to terminate the Services and these are not being replaced by equivalent Services, you may do so by providing IBM one month's written notice. You may be required to pay an adjustment fee in accordance with the schedule for penalties set forth by the IBM Master Services Attachment for ServiceElite section 7. Services charges may be adjusted whenever: 1. a review of the inventory count indicates a change from the last accounting, or 2. a Specified Location, Eligible Machine type, or Service is added, deleted or changed.

This Proposal is subject to the terms and conditions of the above referenced Agreement(s). Acceptance of this Proposal by an authorized representative of City of Victoria will be deemed the equivalent of a Customer Purchase Order, which will authorize Sirius to order the Products and Services listed in this Proposal.
