

2009 International Mechanical Code

City of Victoria

Adopted: August 2, 2011

Sec. 5-70. Adoption of Published Code.

There is hereby adopted by the City for the purpose of establishing rules and regulations for the safe installation and maintenance of all mechanical equipment and systems, that certain code known as the International Mechanical Code, 2009 Edition, published by the International Code Council Inc., save and except such portions as are hereinafter deleted, modified, or amended, of which a copy is on file with the City Secretary and the Development Services Department, and the same is hereby adopted and incorporated as fully as if set out at length herein, and from the date on which this section shall take effect, the provisions thereof shall be controlling in the installation of mechanical systems therein contained within the corporate limits of the City.

Sec. 5-71. Definition.

Whenever the term “code official” is used in the Mechanical Code, it shall be held to mean the director, as defined in Section 2-80.

Sec. 5-72: Deletions to Published Code.

The following portions of the Mechanical Code are hereby deleted:

- *Section 103 Department of Mechanical Inspection*
- *Section 106 Permits*
- *Section 108 Violations*
- *Section 109 Means of Appeal*

Sec. 5-73–5-79: Reserved.
