

**City of Victoria**

*Chapter 24, Division 5 – Development Services Department Fees*

**Sec. 24.41. General**

- a) A building permit shall not be issued until the prescribed fees have been paid in full.
- b) An amendment to a permit may not be released until any additional fees, due to an increase in the estimated cost of the building or its systems, have been paid.
- c) An investigation fee of \$200.00 will be charged in addition to the required permit fee for working without and/or failure to obtain a permit. This fee is not a penalty and does not preclude any other remedies available to the city to enforce technical construction codes.

**Sec. 24.42. License**

The annual fee for a builder/ general contractor license shall be:	\$200.00
Expired license or working without a license:	\$100.00

**Sec. 24.43. Plan Review Fees**

- (a) Residential – Plan review for one- and two-family residential (R-3) construction and remodeling are optional. However, when such plan review services are requested by a permit applicant, the plan review fee shall be \$100.00. Such plan review fee is in addition to the building permit fee.
- (b) Commercial – Plan review fee for building activity other than one- and two-family residential (R-3) construction and remodeling shall be fifty (50) percent of the estimated building permit fee payable at the time of application submittal. Such plan review fee shall be applied toward the total fee for the respective permit at the time such permit is issued.

**Sec. 24.44. Residential Building Permit Fees**

- (a) New Construction: One- and two-family residential (R-3) new construction permit fee includes individual trade permit fees for mechanical, electrical, plumbing and gas only. Separate trade permits are required and will be issued at no charge. All other fees shall be charged as an additional fee.

<u>Total Valuation</u>	
Up to \$50,000	\$325.00
\$50,001 to \$150,000	\$325.00 for the first \$50,000, plus \$2.75 for each additional thousand or fraction thereof
