

# UNDERSTANDING EXECUTIVE ORDER GA-32 IMPACTS

## TEXAS GOVERNOR GREG ABBOTT'S EXECUTIVE ORDER GA-32

- Trauma Service Areas in which the number of COVID-19 hospitalizations as a percentage of total hospital capacity exceeds 15% for seven consecutive days are deemed "high hospitalization" areas.
- If an area becomes a "high hospitalization" area, any business with a 75% occupancy limit under GA-32 is reduced to only 50% occupancy limit.
- If the Trauma Service Area - S hospitals reach 15.1% COVID-19 hospitalizations for a seventh consecutive day, the reduced occupancy limits within our community will go into effect the following day.

*How does this impact you?*

### AS A COMMUNITY MEMBER

Community members are highly encouraged to:
