retention ponds, and other drainage facilities, (26) the width and construction requirements for streets and other public facilities, and (27) design principles for subdivision planning and development. No action or failure of the Planning Commission to act in any proceeding or any statement by any member of the Planning Commission may be relied on by any member of the public to limit the Planning Commission's right to discuss any of the aforementioned subjects in any of its meetings. Any statement specifying inclusion of any word or phrase shall not exclude non-listed items.

*** Any item on this agenda may be discussed in executive session if authorized by Texas law regardless of whether any item is listed under "Executive Sessions" of this agenda, regardless of any past or current practice of the Planning Commission. Executive sessions described generally hereunder may include consideration of any item otherwise listed on the agenda plus any subject specified in the executive session notice, to the maximum extent for which executive sessions are permitted pursuant to Chapter 551 of the Texas Local Government Code.
