

ACCIDENTAL SPILL NOTIFICATION

In the event of any discharge, including, but not limited to, accidental discharges, discharges of a nonroutine, episodic nature, a noncustomary batch discharge, or a slug load that may cause potential problems for the wastewater treatment plant or storm water collection system, the user shall immediately telephone and notify the Department of Public Works Pretreatment Division of the incident. This notification shall include the location of the discharge, type of waste, concentration and volume and corrective actions taken by the user.

Failure to notify the Department of Public Works Pretreatment Division of potential problem discharges shall be deemed a violation of Federal and State law and City Code.

NOTIFY IMMEDIATELY IN THE EVENT OF A HAZARDOUS SPILL INTO THE SANITARY SEWER OR STORM WATER SYSTEM
